

BRIDGE WORKS & NEXT STEPS

A quick update on where we are,
what's next, and how you can help
shape the club's future.

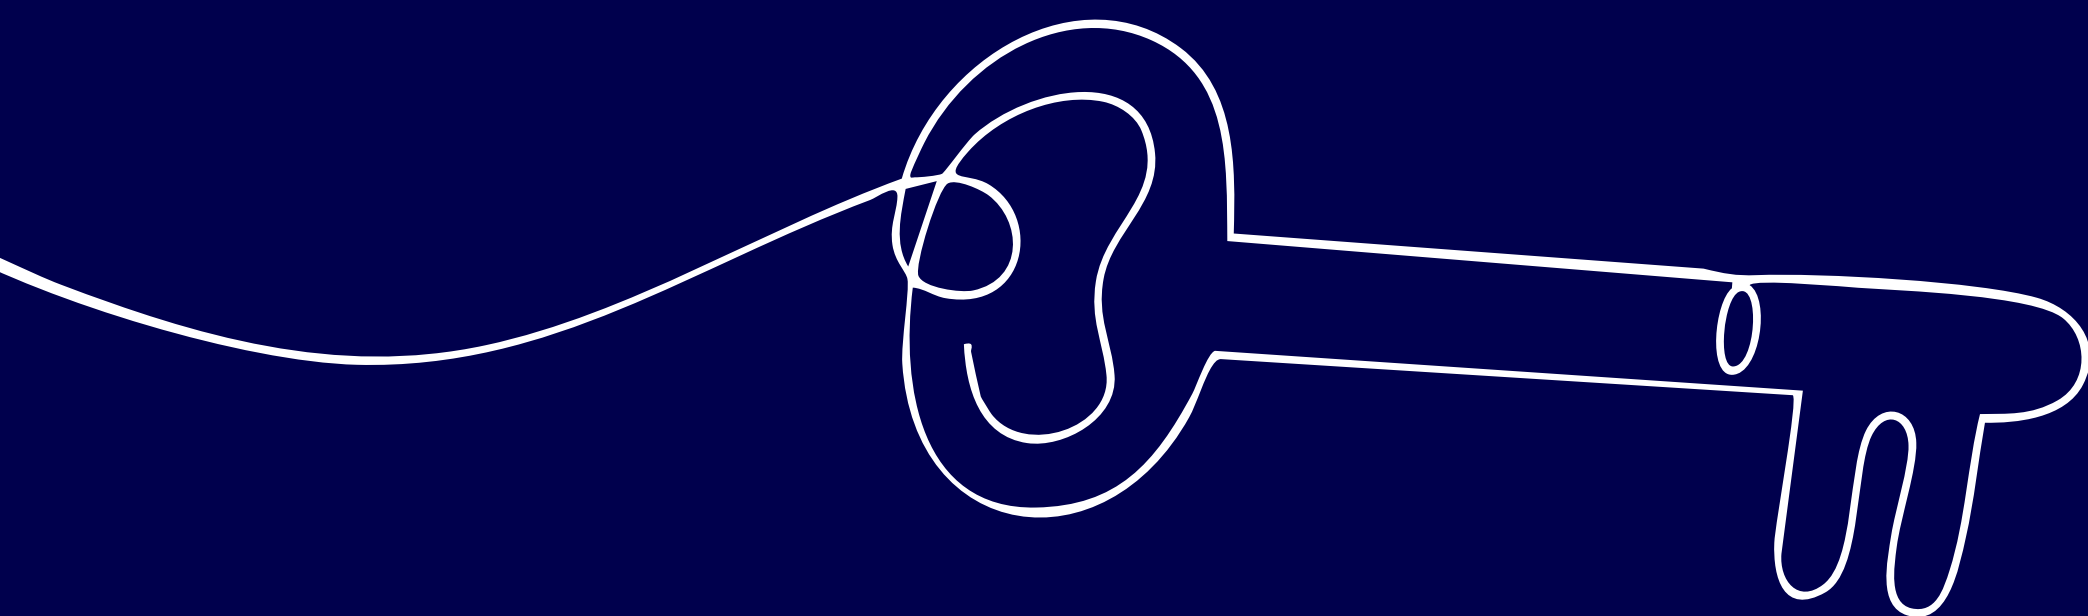

WELCOME!

Thank you to all our members for your patience, support, and hard work during our move to the temporary site.

This short update sets out:

- 1 The **improvements** we've made at our current site
- 2 The **timeline** for moving back to Marlow Bridge (or elsewhere)
- 3 **What happens next** and how you can have your say

For club access outside of session times...

EMAIL STEVE

A HUGE THANK YOU!

We couldn't have made this transition without everyone's help - especially **Steve** for leading so much of the setup and improvements.

Thanks to your feedback, we've already made upgrades, including:

A safer landing stage
with an extra step

More trolleys for
moving boats

New lights for
early/late paddles

Ground matting to
keep things stable
and clean

IF WE RETURN TO **MARLOW BRIDGE...**

Construction due to begin
June 2026

Expected return
September 2026

IF WE MOVE SOMEWHERE NEW...

We're currently negotiating options for a possible permanent new location. The process looks like this:

DEFAULT OPTION:

We return to Marlow Bridge unless the Club decides otherwise.

WHAT'S NEXT & HOW YOU CAN HELP

We want to hear from you... Is anything discouraging you from paddling at the moment? What further improvements would help at the current site?

Please take a couple of minutes to share your views:
